## Additional Housing Resources

If your household needs additional housing assistance, please follow the links below to connect with these resources. *Updated 9/26/2022*

[Kansas Homeowner Assistance Fund \(KHAF\)](#): Eligible Kansas households impacted by the pandemic can apply for financial assistance with mortgages, property taxes, homeowners' insurance, and energy costs.

[Rental Housing Resources](#): Access a list of KHRC's affordable properties, search the HUD Resource Locator, or file a tenant complaint.

[Kansas Community Action Agencies](#): These agencies aim to reduce poverty, revitalize low-income communities, and empower low-income families and individuals to become fully self-sufficient. Find the agency that serves your county using these two resources: [regional service areas map](#) and [list of CAA agencies](#).

[Emergency Service Providers](#): If you or your family are experiencing homelessness or domestic violence, find your nearest shelter and service provider from this list or access [HUD's Find Shelter tool](#).

[Tenant Based Rental Assistance \(TBRA\)](#): Find your county's grantee from the list at the bottom of the page to learn about eligibility guidelines and apply for assistance with rent payments, security deposits, and/or utility deposits.

[United Way 2-1-1 of Kansas](#): Use this directory, or dial 211 on your cellphone, to find local resources in your area that address hunger, utility assistance, housing concerns, and more.

[Kansas Emergency Water Assistance Program \(EWAP\)](#): Find out if your household qualifies and apply to have your water service restored or prevented from disconnection.

[Low-Income Energy Assistance Program \(LEAP\)](#): Find out if your household qualifies and apply for financial assistance with home energy costs.

[Affordable Connectivity Program \(ACP\)](#): Federal Communications Commission (FCC) program that pays \$30 month for internet access for low-income families and \$100 towards devices to access the internet.

[HUD Housing Counseling Agencies](#): Certified housing counselors can discuss options if you're having trouble paying your mortgage or managing your reverse mortgage. Or search [HUD's official list of housing counselors](#).

[Weatherization Assistance Program](#): Income-eligible homeowners and renters can apply through their region's provider to receive weatherization services and lower utility bills.

[Tenant/Landlord Education](#): If you feel you've been discriminated against, connect with organizations that help to ensure fair housing practices, including [Kansas Legal Services](#).
